## TRAINEES FOR NIGERIA

ARTHUR BRAVERMAN Age 24 071550  
1055 Esplanade, New York, N. Y. 10461  
City College of The City University of New York, B.S. in Physics, 1967

Arthur Braverman was born in New York City. He graduated from Christopher Columbus High School in 1960 and was interested in art and athletics at the time. Arthur graduated from the City College of New York with a B.S. in physics, after majoring in art and in architecture. Arthur continued his athletic activities during his college years. He enjoys traveling and hopes to work in a field that will give him the opportunity to travel often. Arthur has no definite plans for his future vocation, but is seriously considering the teaching field. He hopes that his experiences in the next two years will aid him in focusing these interests.

DANIEL PAUL CONROY Age 22 143410  
94 Jewett Street, Akron, Ohio 44305  
Walsh College, B. A. in Science, 1967

Dan Conroy was born and raised in Akron, Ohio, where he graduated from Archbishop Hoban High School in June of 1962. In the fall of the same year he enrolled at Walsh College in the adjacent city of Canton, Ohio. While a pre-dental student at Walsh he found time for intra-mural football, baseball, and basketball in addition to being a class officer and a member of the student government. His summer months were spent working and saving his money to continue his education. He enjoys swimming, reading, and music and plans to attend dental school on completion of his Peace Corps service.

206 North 20th St., Birmingham, Alabama 35203  
University of Alabama, A.B. in Mathematics, 1967

Bobby Feldman was born and raised in Birmingham, Alabama. Upon graduation from high school, he attended the University of Alabama and George Washington University, finally receiving the A.B. degree from the University of Alabama in 1967. At Alabama he was a member of the student legislature, a member of the Executive Cabinet, Director of International Students, and chairman of Emphasis 67, an annual student forum. While attending George Washington University in Washington, D. C., he worked part-time in the U.S. Department of Labor, where he also held student traineeships during two summer vacations. Following Peace Corps Service, he plans to begin law school.

DENNIS MICHAEL HAWORTH Age 23 187561  
4816 East Harvey Avenue, Fresno, California 93702  
San Diego State College, B.S. in Biology, 1965

Dennis Haworth, born in San Diego, California, was raised in the nearby town of El Cajon. He attended El Cajon Valley High School, where his interests centered around the school band and its activities. After graduation in 1961 he attended San Diego State College where he majored in biology. He received the B.S. degree in 1965. Soon after he became interested in teaching and when his family moved to Fresno he enrolled at Fresno State College. There he completed the requirements for a California Secondary Teaching Credential in biology and mathematics. His interests include photography, antique cars, and skiing. After Peace Corps service he plans to finish his graduate studies, begin teaching, or both.

GAIL EILEEN VAN GROOS KAEHLER Age 22 120840X  
2180 Vineyard Road, Novato, California 94947  
University of California at Berkeley, A. B. in French, 1965

Shortly after birth Gail Van Groos Kaehler left Washington, D.C., to settle in the Los Angeles area. She was an active Girl Scout until high school graduation in 1961. While attending the University of California at Berkeley she joined Zeta Tau Alpha sorority as well as Campus Crusade for Christ and the Presbyterian Church. The summer before graduation was spent living with a family in Geneva, Switzerland, to learn French. Just after her graduation in 1965, she and Roger Kaehler were married, making their home in San Anselmo, in the San Francisco Bay area. Last year she earned a teaching credential at Sonoma State College and substitute taught until March 1967. She enjoys athletics, reading music, knitting, sewing, and gardening. She and Roger have taught reading to several students by the Laubach method.

ROGER LEE KAEHLER Age 27 120839X  
2180 Vineyard Road, Novato, California 94947  
University of California at Berkeley, B. S. in Mechanical Engineering, 1962

Roger Kaehler was born in Tracy, Minnesota, but soon moved to the San Francisco Bay Area of California. After graduating from San Rafael High School in 1957, he attended Marin Junior College. He graduated from the University of California with a B. S. degree in mechanical engineering, then continued his non-technical education for a year and a half at California and at San Jose State College. After working for two years in the construction industry he obtained a general contractor's license and entered business with his brother. He has been active in the Presbyterian Church. Roger enjoys spectator sports and has played baseball, basketball, and volleyball. He has also served four years in the National Guard.

She graduated from the Nightingale-Bamford School in New York City. Her first two years of college were spent at Queens College in North Carolina where she assisted the Russian professor. She then transferred to the American University in Washington, D. C., where she was a dormitory counselor. Following her graduation she worked for the Department of Welfare in New York City as a caseworker until her marriage to Wayne Morrow, whom she met at American University. After her Peace Corps service she plans to work in child welfare.

WAYNE LAURENCE MORROW Age 24 181397X  
Box 51, Georges Mills, New Hampshire 03751  
Bowdoin College, B.S. in Biology, 1964;  
American University, M.I.S. in International Relations, 1967

Wayne Morrow was born in Lynn, Massachusetts, and progressed through the local school system there. He then went to Bowdoin College in Maine where he majored in biology with dental school as his objective. During summer school vacations Wayne worked as an independent painting contractor. Desiring a broader educational experience, he went to the School of International Service at the American University, Washington, D.C., for graduate studies in international relations. During the last year and a half Wayne worked as a residence hall counselor in the dormitory system at American University. He hopes to continue graduate studies in international relations and later work in this field.

ROGER CHRISTOPHER PHILLIPS Age 32 141173  
17 Jones Street, Worcester, Massachusetts 01604  
College of The Holy Cross, B.S. in Chemistry, 1956;  
Boston College, Ph. L. in Philosophy, 1960;  
University of Pennsylvania, Ph.D. in Chemistry, 1963

Roger Phillips was born and attended early school in Worcester, Massachusetts. In college he majored in chemistry, and spent most of his spare time in sports activities. Summers he was counsellor and athletic director at a YMCA camp for boys. Since completing his Ph.D program in 1963, he has been a member of the science faculty at Fairfield University, in Fairfield, Connecticut, and has done a year of research in biophysical chemistry as a postdoctoral fellow at the University of Pennsylvania. After Peace Corps service, he plans to work as an industrial chemist.

DAVID JAY SIMONS Age 23 183956X  
1518 West 5th Street, Madera, California 93637  
University of California at Berkeley, A.B. in Physics, 1966

David Simons was born in Lansing, Michigan, but spent most of his early life in the San Francisco Bay Area. When he was ten he moved to New York City where he received most of his basic education. After attending Forest Hills High School he returned to California to attend the University of California at Berkeley, where he met his future wife Grace, a fellow member of a choral group. During his undergraduate years, David worked part-time as a data analyst and computer programmer at the Lawrence Radiation Laboratory. Earning the B.A. in physics in January, 1966, he then spent one graduate year at San Francisco State College. After Peace Corps service he plans to study for a doctorate in physics.

GRACE LOUISE HOWKER SIMONS Age 23 183957X  
1518 West Fifth Street, Madera, California 93637  
University of California at Berkeley, A.B. in Social Sciences, 1965

Grace Simons was born in Fresno, California, and was raised there and in the neighboring town of Madera. After graduating from high school, she attended the University of California at Berkeley, majoring in social sciences and zoology. While an undergraduate, she was a member of a university choral organization, and participated in short concert tours of Hawaii and of Alberta and British Columbia. She was married to David Simons in January, 1966. Grace took a year of graduate studies in education and was a substitute teacher in San Francisco Bay Area schools. After her Peace Corps service she plans to teach and to undertake graduate studies in marine zoology.

CHARLES MICHAEL TIMBERS (Charley) Age 23 169063  
RR 1, Box 761, Dyer, Indiana 46311  
University of Michigan, B.S. in Chemical Engineering, 1966

Charles Timbers was born and raised in Detroit, Michigan. He attended Cass Technical High School and there majored in chemistry and metallurgy. He played football at Cass and continued the sport for two years at the University of Michigan, which he entered in 1961. He received the B.S. degree in 1966, having majored in bio-chemical engineering. During summer vacations Charles worked in the steel mills around the Gary, Indiana, area. He enjoys sports in general with special interest in skin diving which took him to an island off the coast of the Yucatan Peninsula, Mexico, to enjoy the sport. After Peace Corps service he plans to seek a position in the pharmaceutical industry and to continue his education.
